Our Exhibitors

Thoughts on the event.

servercore cloud platform for businesses

I had clients coming to engage and a variety of tech people here. It's really amazing, fascinating and educating

Robin Peters
Corporate Sales Manager
Servercore

We've gotten many leads we hope will translate to great business. I'll urge anyone within the tech ICT industry to come and exhibit. They will get access to mentorship and get many clients.

Timothy Ombachi
Business Development
Barizi Data Privacy Services

BARIZI DATA PRIVACY SERVICES

I appreciate everything, the way the stands have been done, the decal. It's been an amazing experience.

Medina Khan
Director
CodeXchange

CodeXchange limited

We've gotten interest in our products and services, also some partnerships going on. We definitely looking forward to having more vendors exhibitors here to showcase some of the solutions and see how far Kenya has come specifically as an ICT Hub

Samuel Gathugu

Thought provoking presentations

The new world is based on virtue boards, when many alliances are built on mutual interest in data protection for private sector eg. banks, but above all for countries.

Amir Rapaport
Founder & Editor-in-Chief
Cybertech Global

CYBERTECH GLOBAL

We are here in Nairobi at Tems Africa Ict Expo You are more than welcome to join us and discuss about what we can do to improve your cybersecurity levels.

Krystian Mika
Key Accountant Manager
Tecom SA sp.k

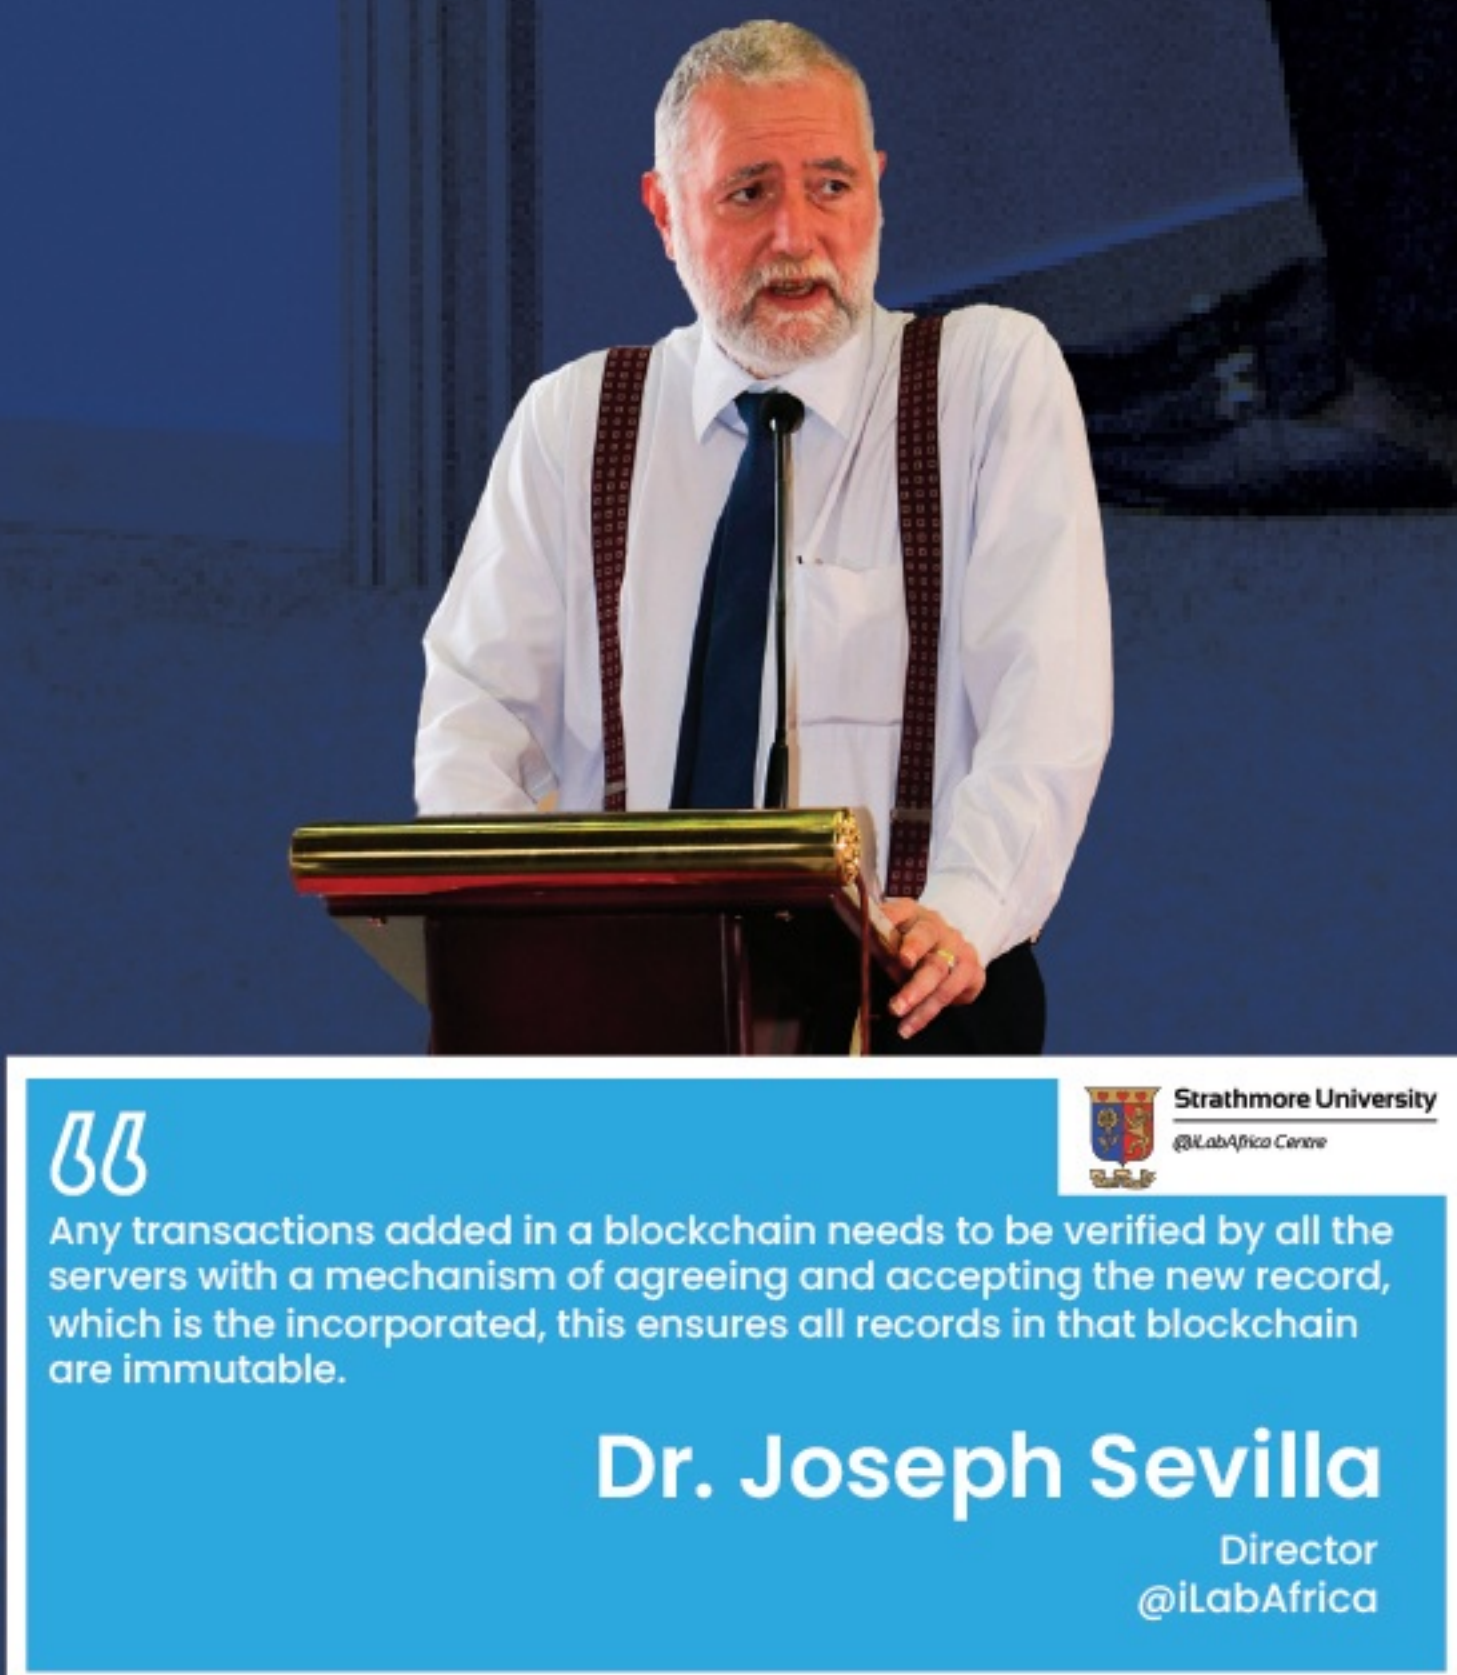

trecom

AI in fintech can be used in anti-fraud systems that uses deep learning classification neural networks to find out any fraudulent activities or transactions in the financial industry.

Wilson Kao
Director
Growthbotics

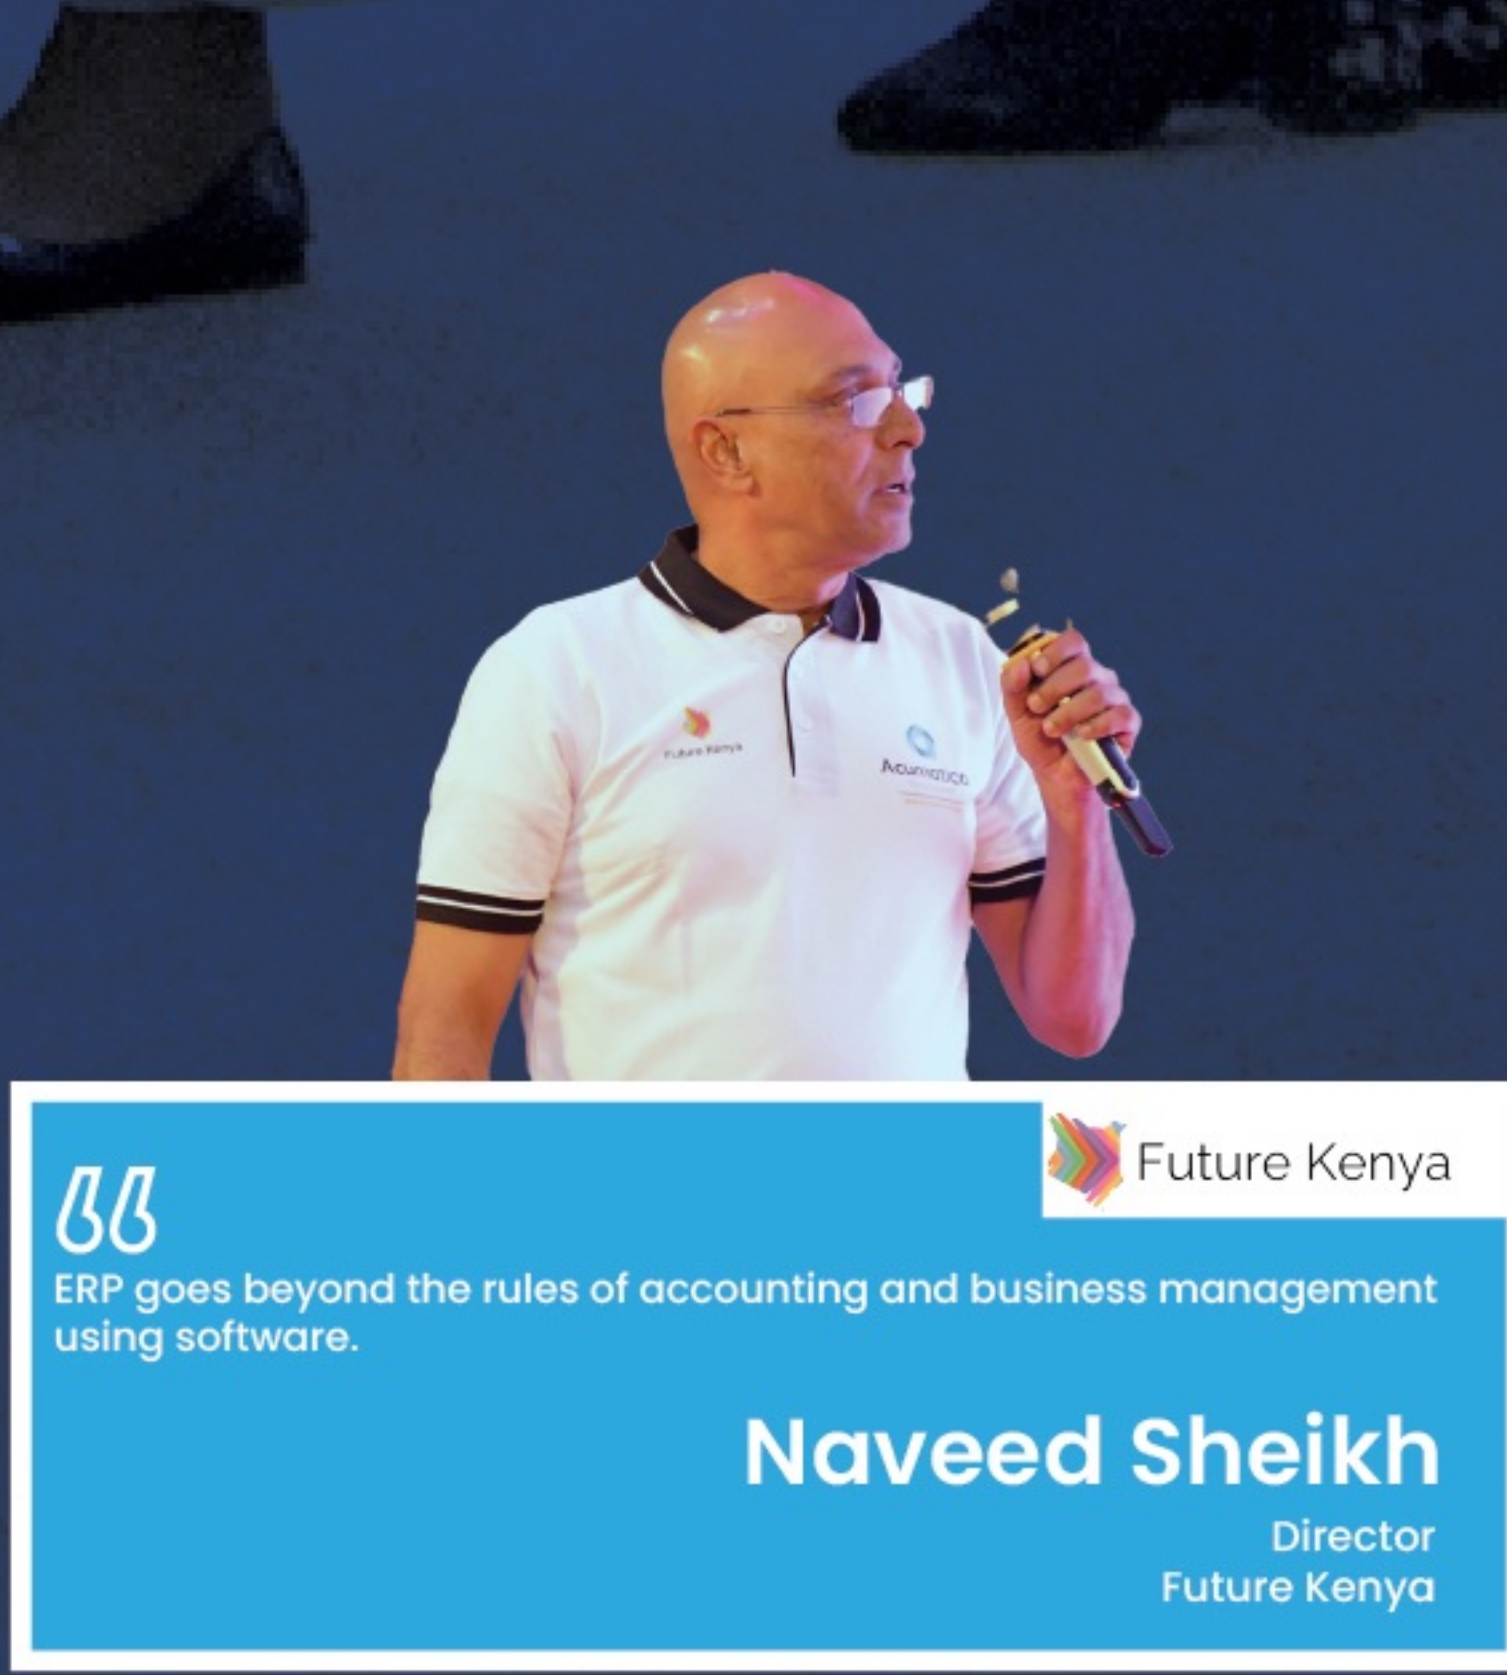

Growthbotics

Any transactions added in a blockchain needs to be verified by all the servers with a mechanism of agreeing and accepting the new record, which is the incorporated, this ensures all records in that blockchain are immutable.

Dr. Joseph Sevilla
Director
@LabAfrica

Strathmore University
@LabAfrica Center

ERP goes beyond the rules of accounting and business management using software.

Naveed Sheikh
Director
Future Kenya

Future Kenya

I am so happy to be here at TEMS and importantly one highlight I think that has really taken my breath away was the turnout of the young people that have been able to come and show up.
